The Homeless Offering
Helping people in need
Changing lives

A family breaks ground for a Habitat house in Union County.

It may just seem like a check in the offering plate. But the money you give to the Homeless Offering becomes

- Food for hungry people
- Help with rent or utilities for a family facing unemployment
- Emergency shelter on a cold night
- A new start for a family in transitional housing
 - Safety for families fleeing domestic violence
- A chance for home ownership for a family building a Habitat house
- Job training for a homeless person

The Housing & Homeless Council gives grants to ministries all over the North Georgia Conference to help people in need. Since 1990, the Housing and Homeless Council has given more than \$3 million in grants to ministries that help people in need.
